Now you have to be extra loud for the guy that's funding the trip and yourself!!

Good luck to all of us that will be there. Stay on your guard and STAY TOGETHER.

If they separate us or take us one-by-one everyone must resist. Treat everyone that's there for Trump as your brother on the 6th.

I'm all in for any group joining this important fight. Stop the Steal did not propose this protest. I went to STS website within minutes of Trumps tweet as they were who I followed for the Dec DC rally. I wanted to see if it was on their schedule as their calendar had emptied after DC. THERE WAS NO DC RALLY LISTED immediately after Trumps tweet.

In their defense Jan 6 is such a obviously important date to protest. Maybe they were trying to get something going.

No matter. All are welcome. Very important to get as many patriots there as possible. Just hate we have infighting between groups trying to take credit.

Mr. President TRUMP called for this protest.

I just flew back to the west coast to meet with my family after not seeing them for a year because of the pandemic. I have made it to the last two marches (11/14 and 12/12 ones). I really want to go on 01/06 but I don't really know if it's possible because of my family situation, but if we can set up a fund for those who want to go I am willing to donate.

The Canadian border is closed to US travellers , but your border is open to Canadians. I'll have to quarantine for 2 weeks when I get back (time will tell if I actually do it tho)
